Ooh La La

YOU CAN-CAN MAKE A DIFFERENCE

American Heart Association®

Heart Ball

Welcome to the 67th Annual

GREATER CHARLOTTE HEART BALL

*The evening celebrates our work,
mission, donors, volunteers and most
importantly, the lives saved and
improved because of your efforts*

American Heart Association®

Heart Ball

OUR MISSION

The American Heart Association is on a mission to be a relentless force for a world of longer, healthier lives.

OUR GOAL

Since the American Heart Association's founding in 1924, deaths from cardiovascular diseases have been cut in half.

And yet, there are still so many lives to be saved.

By driving breakthroughs in science, policy, and care, together, we can continue to advance health and transform lives every day.

Join our movement to change the future of health and be the progress that ensures longer, healthier lives for all.

OUR THEME

At the 2025 Greater Charlotte Heart Ball, we will celebrate all of those who Can-Can Make a Difference. We want people to experience more of life's precious moments. To do that we must be healthy in heart and mind – the heart is where life's moments are felt most, and the mind is where these moments become beloved memories. This gift of time is why, at the American Heart Association, we've made better heart and brain health our mission. Through research, advocacy, and community engagement, we've made an extraordinary impact. But as you've heard before, there is still a lot of work to be done.

FROM THE HEART

Dear Friend of Heart,

With profound gratitude and heartfelt thanks, welcome to the 67th Annual Greater Charlotte Heart Ball. Tonight, we come together to celebrate a remarkable year of hard work while reflecting, honoring and celebrating the progress made through the determination, dedication and passion of all who support our mission.

This event holds deep significance, as the American Heart Association has been at the forefront of the fight for longer, healthier lives for over 100 years. Alongside you, our cherished family of volunteers, donors, and advocates, we have driven breakthroughs in science, policy, and care. Together, we continue to advance health and transform lives every day.

Tonight, we celebrate our shared dedication to saving and improving lives within this community over the past year. I extend my deepest thanks to you for your presence and for your steadfast, generous support of our community. Congratulations on a remarkable year. With anticipation, I look forward to countless achievements as we enter our second century of transformative impact.

Enjoy the celebration!

Gratefully yours,

A handwritten signature in black ink, which reads "Jeremy Beauchamp". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Nucor Corporation

FROM THE CO-CHAIRS

Dear Friends of Heart,

Welcome to the 67th Annual Greater Charlotte Heart Ball! We are honored to have returned this year and joined forces to serve as Co-Chairs in support of the vital work of the American Heart Association. Heart disease is the number one killer of men and women in the United States, and the American Heart Association is funding the critical cardiovascular research grants to find discoveries that will save lives.

This campaign takes the mission beyond the table and into a year-round campaign, bringing the work of the AHA to life in all communities. Together with the Association, we aim to educate our families, friends and co-workers on the importance of living a healthy lifestyle. We will fight to ensure our communities have the highest quality and most equitable care while finding cures for heart disease and stroke.

This year's Heart Ball theme is-- "Ooh La La—You Can—Can Make a Difference" --and we know that tonight would not be possible without each of YOU, and the support of our incredible corporate sponsors and generous donors. We hope you enjoy your stroll through the French Chateau gardens and a show-stopping night in Paris. Together, we are saving lives.

With heartfelt thanks,

Vicente Reynal
Chair, President and CEO
Ingersoll Rand
2025 & 2024 Heart Ball Co-Chair

Leon Topalian
Chair, President and CEO
Nucor
2025 & 2023 Heart Ball Co-Chair

**Supporting
the heart of our
community**

**Guided by our mission of Making Life Better, Ingersoll Rand
is proud to support the American Heart Association.**

And we're honored to have Vicente Reynal,
chairman and CEO of Ingersoll Rand,
co-chair the 67th annual Greater Charlotte Heart Ball.

**NUCOR PROUDLY SUPPORTS
GREATER CHARLOTTE
HEART BALL**

Thanks to the tireless work of the American Heart Association, families and communities across America are stronger, healthier and happier.

AUCTION RULES

Bidder numbers are issued in advance. Once assigned a number, each bidder is responsible for the use of the number throughout the evening. Bidders must be at least 18 years of age to participate in the live or silent auction.

Timeline: The Silent Auction opens on 1/30/2025 at 12:00 p.m. and closes at 8:00 p.m. on 2/1/25. Check-Out will begin approximately one-half hour after the conclusion of program. The Auction Committee reserves the right to lower the minimum bids and change closing times.

Live Auction: Items will be on display in the auction area for viewing. The Live Auction will begin after dinner and will continue until all items have been auctioned. To bid on any item during the Live Auction, raise your bidder paddle. Only those bids recognized by the Auctioneer will be considered a valid bid. The winning bidder must give name and bid number to one of the Live Auction assistants, which will then be recorded with the item and amount bid and transmitted to the Auction officials for processing.

Payment & Receipt of Items: All purchases must be paid for in full by the end of the evening of the Heart Ball on 2/1/2025. If you did not sign-up for Express Check-Out, payment may be made by cash, check or credit card at Check-Out. After payment is made, a receipt will be issued via email. This receipt serves as a record of your purchases and potential tax deductions. Any sold items that are not taken home the night of the event will be delivered by an American Heart Association (AHA) employee by the end of February 2025.

Fair Market Value: All values listed are either the donor's estimate or the appraised value. Any amount you pay in excess of the fair market value would normally be available to you as a charitable contribution for tax purposes. Please check with your tax advisor for specifics.

Disclaimer: All goods & services (items) have been donated to the AHA by the person or company listed on each item. All items are subject to the terms and conditions specified by the donors. By purchase, the buyer waives any claim for liability against either the AHA or the donor of the item. The AHA makes no warranty as to item performance or safety. The AHA has attempted to describe the item and provide all details given. Every item is sold "as is" without recourse. All sales are final. The AHA will not refund any amounts paid for these items. No exchanges or refunds are permitted. Please read descriptions carefully as some items have certain specifications, limitations and/or blackout dates. Unless otherwise specified, all items must be used within one year of the Heart Ball. Unless specified, dates/times are to be arranged at the mutual convenience of the donor and buyer. It will be the buyer's responsibility to contact the donor to arrange for services or delivery, unless otherwise specified. All resort and private vacation homes are offered to adults and minors accompanied by adults.

SOLUTIONS THAT BEAT WITH PURPOSE

At SPX FLOW, being a solution maker means creating technologies that power progress, strengthen communities, and enhance everyday living. From healthier food and clean water to advancing sustainable solutions, our work is driven by purpose—and by a steady pulse.

That's why we proudly support the Greater Charlotte Heart Ball and the lifesaving work of the American Heart Association. Our missions share a common goal of innovating solutions that improve lives and create healthier futures, proving that the best solutions are the ones that come from the heart.
